**Summary of reasons
for classification:**

The publication entitled *p1.mpeg* is classified as:
Objectionable.

The publication is a short video clip that depicts the use of urine as a fetish sexual activity. Its most likely purpose is to sexually arouse and entertain viewers, particularly those with a sexual interest involving the use of urine. In doing so, it promotes and supports the use of urine in association with sexual conduct, and is therefore deemed objectionable under s3(2)(d) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act).

The classification of this publication interferes with the freedom of expression, as set out in section 14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention that publications that fall under s3(2) of the FVPC Act are deemed objectionable.
